

LeadershipSCR REALTORS 2002 Class Project  
The C. Dan Joyner Community Service Award

Award Criteria

- 1) Nominees must be REALTOR® members of SC REALTORS® in good standing.
- 2) Nominees should have contributed to a program that improves the livability of a local community. Those activities are not limited to real estate or housing issues, and may include such things as crime prevention, youth mentoring, and homelessness prevention.
- 3) Nominees should have made a significant contribution of personal time, but contributions of money, materials or other resources will be considered by the judges as well.
- 4) Nominees will be judged on their level of personal contribution, impact of personal contribution, broadness of impact, and the project's suitability as a role model of other REALTORS®.
- 5) The award is intended to recognize individual contributions, not association or company-wide efforts. However, if an individual within your company can be singled out as instrumental to the success of a group effort, he or she is eligible. If the achievements of two people (such as a married couple or co-founders of an organization) absolutely cannot be separated, they can enter as a pair and their entry will be considered as one.
- 6) Some portion of the nominee's community work must have taken place between January 2007 and April 2008, but judges will also consider ongoing efforts outside that time frame that demonstrate a depth of commitment.
- 7) Nominees should be able to document the results of their individual involvement through published reports and/or testimonials from the organization they served or the people they helped.
- 8) Nominations must be accompanied by a completed entry form to be considered (REALTORS® may nominate themselves or may be nominated by another SC REALTORS® member, a state or local association, or the community organization they served.) An original and four copies of the entire entry package must be submitted.
